

26 September 2023

Dear Stakeholders

Delay in Mandatory Grant Quarter 1 Payment

Greetings and best wishes!

Kindly be advised that due to a systems error from the Department of Higher Education and Training (DHET), no skills levy download information has been received for the past 3 months and as a result the FP&M SETA will not be able to make quarter 1 mandatory grant payments to employers on time , being the 29th of September 2023.

The Department has also sent out communication in this respect which is also attached.

Communication will be provided as soon as levy files have been received and calculations have been prepared.

We apologise for any inconvenience this may cause.

Yours sincerely

Dr/Felleng Yende
