All Accredited Trade Test Centres

Dear Colleagues

IMPLEMENTATION OF NATIONAL STANDARDISED FORMS

Subsequent to the meeting held at INDLELA on 28 August 2014 with all SETAs that are involved in Artisan certificates, the following decisions were taken and agreed upon.

- One standardised Trade Test application form will be used across all sectors.
- One standardised Trade Test report form.

It was further agreed that the above mentioned forms will be used as of the 1 October 2014 whenever a SETA process the certification application to NAMB.

SETAs are advised to communicate this message to their Trade Test centres as soon as possible.
